Good to Know

How do I order?

Email info@thesocialpaella.com with your paella choice, guest count, and delivery address. We'll get back to you with availability and a quote.

How far in advance should I order?

At least 5 days ahead is ideal — the sooner the better to secure your date!

How long does paella stay warm after delivery?

About 40 minutes. No reheating needed — just schedule delivery close to mealtime.

What size are the pans?

27" for 10–15 guests · 36" for 20–25 guests. Make sure you have table space!

Can I get serving help?

Yes! We can send a staff member to help serve. Just ask for a quote when ordering.
